

# simplifying Insurance

- **Strength**

DBIS is a member of the Steadfast Insurance group of Brokers scatter all over Australia and New Zealand.

- **More Choices**

With access to over 150 insurance providers including the specialists, no matter how unique your business, we can find and tailor a policy to match your risks.

- **Personalised**

Being within the network using our own local experience and industry knowledge to customise solutions to suit your individual business needs.

- **By Championing your claims**

If you make a claim and there happens to be an issue, DBIS can call on the power of the Steadfast to escalate the matter..

Let us at Advance Trading assist you through David Benn Insurance Solutions(DBIS) with your next insurance policy

Choosing the right insurance can be complicated, time consuming and frustrating. The Insurance Market is a competitive one; there are lots of different companies out there that offer a variety of products. Obtaining insurance cover can be as easy as filling in your details with the click of a mouse, BUT are you getting the cover that you really need? Are you paying too much? What happens when you need to make a claim? How do you decide what policies are best? What if your situation changes how does this affect your insurance cover? What are Policy Exclusions and Conditions? Having trouble understanding the insurance jargon?

This is where we can help you. Through David Benn Insurance Solutions we can assist you with: -

- Weather Insurance – protection against germination, frost & yield.
- Farm and Crop Insurance
- Multi Peril Insurance
- Pack Insurance – Comprehensive Farm Cover
- Public Liability and Professional Indemnity
- Pleasure Craft and Travel Insurance
- Business & Trade Insurance
- Workers Compensation
- Life Insurance
- Income Protection

And don't forget your CTP Green slips. We can also assist you with Life Insurance by referring you to Steadfast Life!
